## ATTACHMENT 1

1. On June 18, 2020, U.S. Border Patrol Agents (BPA) established surveillance along the Rio Grande River, in an area known as Reyes Landing in Rio Grande City, Texas, which is a known smuggling corridor for narcotics entering the United States.
2. At approximately 10:40 p.m., BPAs observed a white Chevrolet Silverado drive along the river road, adjacent to the Rio Grande River, and park in the area of Reyes Landing. BPAs observed that the Silverado remained parked at the river for approximately five (5) minutes. After approximately five (5) minutes, BPAs heard one (1) of the Silverado's doors close. Moments later, BPAs observed the Silverado depart Reyes Landing and travel northbound on Midway Road. As the Silverado drove north on Midway Road, a BPA drove south on Midway Road in an attempt to get a closer look at the vehicle. As the BPA neared the Silverado, the BPA observed the Silverado drive through the intersection of Midway Road and U.S. Expressway 83 without stopping at the stop sign and drive north on Suntex Road. Shortly after, the BPA attempted to conduct a vehicle stop on the Silverado. The Silverado subsequently failed to yield and agents pursued the vehicle as it drove north through Rio Grande City, Texas. After a few minutes the driver abandoned the vehicle in a brushy area near the intersection of Alvarez Road and Agua Verde Road.
3. Inside of the Silverado were fourteen (14) bundles of suspected marijuana. The bundles were subsequently processed at the Border Patrol Station, weighed approximately 260 kilograms, and contained suspected marijuana. A field test was conducted on a sample from one (1) of the bundles which tested positive for the characteristics and properties of marijuana.
4. While searching the brushy area where the Silverado was abandoned, agents located a black wallet on the ground, which contained the driver's license of Rosbel GARCIA and \$1,600.00 U.S. currency.
5. Agents subsequently pursued the driver of the Silverado with a Border Patrol K-9 officer who is trained to track individuals. Agents subsequently tracked the driver southeast towards Alvarez Road. While tracking the driver, agents located the driver's shoes, shirt, and part of the driver's phone. Agents subsequently tracked the driver to the Esperanza Apartments on Alvarez Road, where agents observed Rosbel GARCIA attempting to hide behind a vehicle in the parking lot. Agents observed that Rosbel GARCIA was not wearing a shirt, shoes, and possessed half of a broken phone. Agents observed numerous fresh scratches and cuts on GARCIA's torso, arms, and legs.
6. On June 19, 2020, agents conducted a post arrest Mirandized interview of GARCIA. During the interview, GARCIA admitted to participating in the marijuana smuggling attempt. GARCIA stated that he was driver of the Silverado that fled from agents. GARCIA stated that he was going to be paid for picking up the marijuana from the area of the Rio Grande River and transporting the marijuana to a location in Rio Grande City, Texas.
